In 1988 when BODACIOUS was commissioned, Sailing World rated the Sabre 42 the #1 U.S. production sailboat based on quality finish below, excellent interior/cabin, deck & cockpit layout, and superb handling characteristics. Easily crewed by two, her Annapolis-based owners have cruised Penobscot Bay from Tenants Harbor for years, with their families and friends. Her innovative aft-cabin layout with berths for seven and two heads will make this a desired choice for those seeking both sailing performance and superior private accommodations.

ACCOMMODATIONS

BODACIOUS sleeps seven in a comfortable (6'5" headroom) three-cabin layout (6'6" berths). The fore & aft double-berth cabins have private access to heads w/showers. In the main cabin there is one settee berth to starboard and a settee berth to port that converts to a double. New cushion covers 2009. The galley has a double-sink, Raritan heat-exchanger water heater; a Safgas CNG gimbaled 4-burner stove & oven, and a Sea Frost refrigerator & freezer. The fully cushioned cockpit (8'9") has excellent visibility forward, is protected from the sun with a dodger and bimini, and has a folding Edson pedestal table perfect for cocktails & meals.

ELECTRONICS

The aft-facing nav station includes: CD player, GPS, Raymarine ST-60 Plus Graphic, and VHF marine transceiver. The helmsman's station includes: Raymarine E-120 radar & chartplotter with GPS receiver (2011); Raymarine ST-60 wind, depth, and speed; and a Ritchie Navigator pedestal-mounted magnetic compass.

ADDITIONAL EQUIPMENT

Lofrans Project 1000 windlass with bow roller (2007), Rod rigging w/internal halyards, Hall Spars Quick Vang & Harken traveler, screens, gas BBQ grill, boarding ladder and an AB semi-rigid 10' dinghy w/Nissan 9.8 hp outboard.
